**MAY 2010**

## Jekyll Island, Here We Come!

Preregistration is open at [www.gastatehogrally.com](http://www.gastatehogrally.com). Have you preregistered yet? **Preregistration is very important to be able to provide YOU with the best Rally EVER! Help US to help YOU!** Every dollar that is collected during preregistration comes back to you through entertainment, games, parties and prizes.

Remember, everyone who preregisters by May 22nd has the chance to win one of two vacation packages donated by Cyndi's Fantasy Travel. As last year, the vouchers are for a 3 day/2 night stay at any hotel on the approved list with travel on your own. Wouldn't a nice and FREE hotel stay be great after a long ride on the Harley!

All merchandise sales (t-shirts, patches and pins) are sold during preregistration. If you don't preregister, your chances of getting a t-shirt or pin are pretty slim.

There is also going to be a Rally Guidebook again this year. It will contain the schedule of rally events and information, a map of Jekyll Island, things to do on Jekyll Island and sponsor ads. Do you own or know of a business that would like to place an ad in the Guidebook for over 1,500 people to view? Please contact Allan Owens at 770.605.9492 or [adowens@bellsouth.net](mailto:adowens@bellsouth.net) for information. All proceeds from advertising benefits the rally and you!

Bring the family and spend the week at Jekyll. There are plenty of fun activities to do on the Island. Just to name a few, there are Dolphin Cruises, Charter Fishing, Golf, the Summer Waves Water Park, Geocaching, the Georgia Sea Turtle Center, Live Oak Forest Walks, Historic District Tours, Shopping, the Tidelands Nature Center and Miniature Golf.
